

MAKES
A GREAT GIFT
FOR CAR OWNERS
ON A BUDGET!

Lifetime Maintenance Oil Change Club

We all know that regular oil changes help keep your vehicle running smoothly, last longer, and are known to increase the resale value of your vehicle.

Under the Lifetime Oil Change Plan, you'll receive the following services and benefits:

- **Lifetime oil changes** at our suggested service intervals, over the lifetime of your vehicle.
- **Free fluid top-off** (coolant, steering and washer fluid only)
- **Regular multi-point inspections**
- **Maintenance and Repair Records**
We will maintain a complete history of the services that we perform on your vehicle. You can receive a printout of service history upon request.

HOW THE PLAN WORKS: We will send you periodic reminders of oil service due on your vehicle. Since some people drive more than others, we provide a personalized schedule of service reminders once we have a history of your typical mileage use.

Purchase a Lifetime Oil Change Plan and **NEVER pay for an oil change again*** for as long as you own your vehicle.

The Lifetime Maintenance Club is a money-saving service program designed and delivered by Brickyard Automotive Repair & Service Center.

Our goal is to help our valued customers **extend the life of your car, truck or SUV** while obtaining maximum performance and reliability.

► **How?** By providing a regular schedule of oil changes for your covered vehicle at a low, locked-in advance rate.

► **Why?** For peace of mind, knowing that your car, truck, or SUV is receiving all recommended service AND regular safety inspections.

► If you sell your vehicle, **you can transfer the Lifetime Oil Change Plan to your new car.** If the new vehicle takes a more expensive lifetime maintenance package than you previously had, you just pay the difference.

Fight inflation! As the price of oil and parts increase, it never will for you!

Gain Peace of Mind! Maximize reliability and performance with clockwork service & safety inspections.

Save Money! Oil Change Maintenance for the LIFE of covered vehicles starts at only \$317 (details on reverse).

Example Savings over time:

One Oil Change (synthetic blend)	\$40
Number of Services per year (every 3 mos)	x 4 \$160

Own Your Car for Five Years x 5 = \$800

Join The Lifetime Oil Change Club Today At
BRICKYARD AUTOMOTIVE LOCUST GROVE
333 Tanger Blvd | Locust Grove GA | (678) 379-2603

* PLEASE NOTE: **There will be a \$5.00 Service Fee with each visit for oil disposal charge.** COMMERCIAL, FLEET VEHICLES, AND DIESEL TRUCKS ARE NOT ELIGIBLE FOR THIS PROGRAM.
